OUR JUNIOR CAMPS/CLINICS/PROGRAMS

We continue to believe our main focus at the academy is to encourage and develop the junior golfers. We are continually adding programs for all ages to participate. Our popular programs are available again in 2015. We guarantee your child will gain the knowledge they need to begin a lifelong enjoyment the game has to offer.....and of course, have fun too!!!

PGA JUNIOR GOLF LEAGUE AGES 9 -13

NEW program this year. We are excited to introduce the Junior League. The league was formed to better socialize the game for juniors, ages 13 and under by creating a "little league" approach to the game of golf. We will use a different format of competition allowing the youngsters to be part of a team, in a structured league setting...but without the pressure of individual competition.

We will utilize the chip & putt course and the 18- hole regulation course.

If your youngster can drive, chip, or putt.....there's a spot for them on a team.

League Fee: \$225 per child. Fee includes (6) regular season matches (9 holes max) and playoffs.

- Team uniform shirt
- Golf balls
- Rules of golf book

Designated practice sessions with our professionals to prepare for league play
(Practice begins in April and league play will begin in Mid-May)
